LETTER FROM
THE MANAGEMENT

YPP menjunjung tinggi kepercayaan Donatur dengan menjaga transparansi dan akuntabilitas melalui audit internal dan audit eksternal untuk seluruh Laporan Keuangan YPP.

YPP upholds the trust of Donors by keeping transparency and accountability through the internal and external audit for all of YPPs' Financial Statements.

Melalui Laporan Tahunan Yayasan Pundi Amal Peduli Kasih ("YPP") Tahun 2021 ini, kami segenap Pengurus YPP ingin memanjatkan puji dan syukur ke hadirat Allah SWT karena berkat rahmat-Nya, kita semua masih diberi kesempatan untuk bekerja dan berkarya di masa pandemi Covid-19 yang telah berlangsung selama lebih dari dua tahun.

Rasa terima kasih yang sebesar-besarnya juga kami ucapkan kepada Emtex Group dan masyarakat, khususnya Pemirsa SCTV dan Indosiar, atas kepercayaan dan dukungan yang begitu luar biasa. Karena meskipun kondisi perekonomian Indonesia masih kurang baik akibat pandemi dan bencana alam, namun donasi yang masuk ke YPP sepanjang tahun 2021 tercatat lebih dari Rp 8 Miliar - berasal dari platform reguler, dan sebesar Rp 18 Miliar - berasal dari Konser Amal Indonesia Tangguh, yaitu Rp 4,2 Miliar donasi masyarakat dan Rp 13,9 Miliar donasi dari CSR Emtex.

Donasi tersebut kemudian disalurkan kembali kepada masyarakat yang membutuhkan melalui beragam kegiatan sosial YPP, dan pada tahun 2021, kegiatan sosial YPP meliputi pemberian sembako untuk ketahanan pangan, pengobatan umum dan vaksinasi, bantuan tanggap darurat bencana, pemberdayaan masyarakat, bantuan alat kesehatan, perbaikan sarana umum dan kegiatan lainnya yang akan dijabarkan dalam laporan ini.

Adapun biaya operasional YPP dalam mendistribusikan bantuan tersebut sepenuhnya ditanggung oleh Emtex Group yang juga mendukung seluruh publikasi kegiatan dan penggalangan dana YPP, baik melalui media elektronik maupun digital yang berada di bawah naungan Emtex Group.

Sungguh sebuah kebanggaan dan prestasi bagi YPP bisa mendapatkan kepercayaan yang begitu besar dari para Donatur, sekaligus menjalin kerja sama yang begitu baik dengan para Mitra, sehingga YPP dapat menyelesaikan tugas-tugas sosial yang diamanahkan dengan baik.

Kami berharap, kepedulian yang kita berikan dan kegiatan sosial yang dilakukan YPP untuk saudara-saudara kita yang membutuhkan ini, pada waktunya dapat ikut membentuk Bangsa Indonesia menjadi sebuah bangsa yang lebih sehat, kuat, mandiri dan berkarakter, sehingga mampu sejajar dengan negara maju lainnya.

Through this 2021 Annual Report of Pundi Amal Peduli Kasih Foundation ("YPP"), we, all of YPP Management would like to express our praise and gratitude to Allah SWT because thanks to His grace, we are still blessed with the opportunity to work and to create during the Covid-19 pandemic which has been going on for more than two years.

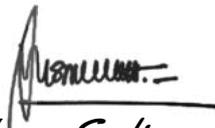

We would also like to express our deep gratitude to Emtex Group and the public, especially SCTV and Indosiar's Viewers, for their immense trust and support. Because even in this bad situation of Indonesia's economic due to the pandemic and natural disasters, the donations that went to YPP throughout the year of 2021 were recorded at more than Rp 8 billion - from the regular donation platforms, and Rp 18 billion - from the Tough Indonesia Fundraising Concert, consisted of Rp 4.2 billion of public donations and Rp 13.92 billion of Emtex CSR's donations.

These donations were being distributed to the communities in need through various YPP's social activities, and in 2021, YPP's social activities covered the staple food packages distribution to maintain food security, general medical treatment and vaccinations, disaster emergency response assistance, community empowerment, medical equipment assistance, public facilities reconstructions and other activities that will be described further in this report.

As for the operational costs of YPP in distributing these assistances were fully borne by Emtex Group who also supported all of YPP's activities and fundraising publication, both through the electronic and digital medias under the auspices of Emtex Group.

It was truly an honor and achievement for YPP to be able to gain such great trust from the Donors, as well as to be able to establish such good cooperation with the Partners, which allowed YPP to well-accomplished its mandated social tasks.

Hopefully, the love given by all of us and the social activities that being executed by YPP to help our brothers and sisters in need, can eventually shape the Indonesian into a healthier, stronger, independent and characterized nation that allow us to be on par with other developed countries.

ACTIVITY REPORT

Dana yang terkumpul dari donasi masyarakat disalurkan kembali kepada masyarakat yang membutuhkan dalam berbagai bentuk kegiatan sosial, sementara biaya operasional kegiatan berasal dari dana CSR SCTV dan Indosiar.

YPP DISTRIBUTED THE VIEWERS' DONATION TO THE UNFORTUNATE PEOPLE THROUGH ITS VARIOUS SOCIAL ACTIVITIES, WHILE THE OPERATING EXPENSES WERE FUNDED BY SCTV AND INDOSIAR'S CSR.

Kegiatan kemanusiaan YPP di tahun 2021, diawali dengan pemberdayaan masyarakat terdampak Covid-19, bantuan tanggap darurat gempa bumi di Sulawesi Barat dan sembako bencana banjir di Kalimantan Selatan. Dilanjutkan dengan penyelesaian bantuan pemulihan bencana gempa dan tsunami di Palu, Selat Sunda dan NTB.

Upaya membantu pemerintah untuk memutus penyebaran Covid-19 juga masih terus dilakukan dengan mendistribusikan Alat Pelindung Diri (APD), penyelenggaraan vaksin, penyelenggaraan lokasi isolasi terpusat terpadu dan distribusi paket sembako untuk menjaga ketahanan pangan. Program pemberian beasiswa, SCTV Cinta Anak Yatim dan program Jembatan ASA juga masih dilakukan pada tahun 2021 ini.

Selain itu, dengan diturunkannya level PPKM di beberapa wilayah Indonesia, YPP juga mulai menggelar kembali kegiatan massal reguler seperti operasi katarak, bibir sumbing, hernia dan donor darah. Tentunya dengan mengikuti protokol kesehatan dan peraturan Pemerintah yang berlaku.

Hingga penghujung 2021, Tim YPP tetap bersemangat tinggi menyalurkan kepedulian Perusahaan (Emtek Group) dan Donatur kepada saudara-saudara kita yang membutuhkan di seluruh Indonesia melalui keempat bidangnya: Bidang Bencana, Bidang Kesehatan, Bidang Pendidikan dan Bidang Lingkungan.

YPP's humanitarian activities in 2021 were started with the empowerment of communities which affected by Covid-19, the emergency response for West Sulawesi earthquake, and the staple food for flood disaster in South Kalimantan. Then, followed by the completion of: the earthquake and tsunami disaster relief assistance program in Palu, Sunda Strait and NTB.

The efforts to help the government to stop the spread of Covid-19 were being continued by distributing Personal Protective Equipment (PPE), administering free vaccines, providing integrated centralized isolation locations, and distributing staple food packages to maintain food security. The scholarship, SCTV Loves the Orphans, and SCTV Bridges of Hope programs were also being continued in this 2021.

Moreover, with the lowering of Social Distancing Regulation levels in several area of Indonesia, YPP has restarted its regular mass activities, such as cataract, cleft lip, hernia surgeries, and blood donation. Naturally, by complying with the health protocols and regulation imposed by the Government.

Even until the end of 2021, the YPP Team remains so enthusiastic in delivering the concerns of the Company (Emtek Group) and Donors to our brothers and sisters in need throughout Indonesia through its four fields: Disaster Sector, Health Sector, Education Sector and Environment Sector.

Bidang Bencana 2021

Disaster Relief Sector

Sesuai verifikasi dan validasi data Badan Nasional Penanggulangan Bencana (BNPB), pada 2021 telah terjadi sekitar 5.400 bencana alam di seluruh Indonesia. Baik itu bencana banjir, cuaca ekstrem, tanah longsor, kebakaran hutan, gempa bumi, maupun erupsi gunung berapi.

Hal ini semakin memperberat beban Pemerintah dan masyarakat Indonesia di tengah perjuangan memulihkan diri dari serangan virus Covid-19 yang malah bermutasi dari Alpha menjadi Delta dengan sifat - sifat penyebaran yang lebih cepat dan lebih mematikan.

Menyadari situasi tersebut dan berbekal semangat kemanusiaan dan kepercayaan dari Perusahaan (Emtek Group) dan Donatur, Tim YPP terus berupaya meringankan beban saudara-saudara kita yang terdampak bencana dan pandemi dengan menyalurkan berbagai kepedulian Donatur ke seluruh Indonesia.

As verified and validated by the National Disaster Management Agency (BNPB), there have been more than 5,400 of natural disasters throughout Indonesia, such as floods, extreme weather, landslides, forest fires, earthquakes, and volcanic eruptions.

These made the Government and the people of Indonesia suffered even more, while trying to recover from the Covid-19 virus attack, which has actually mutated from Alpha to Delta with faster and more lethal spread characteristics.

Aware of the situation and armed with the humanitarian spirit and trust from the Company (Emtek Group) and Donors, the YPP Team tried hard to lighten up the burden of our brothers and sisters who were affected by disaster and pandemic by distributing various Donors' concerns throughout Indonesia.

Meski dengan segala keterbatasan, YPP berusaha keras menyalurkan kepedulian para Donatur kepada saudara-saudara kita yang membutuhkan di seluruh penjuru Indonesia, karena besar atau kecil bantuan tersebut tetap sangat berarti bagi mereka.

Despite the limitations, YPP works hard to distribute the love of the Donors to our unfortunate brothers and sisters throughout Indonesia, for no matter how big or small the donations are, they are still very meaningful to them.

Konser Amal Indonesia Tangguh

Bukti kepedulian Emtek Group kepada masyarakat terdampak pandemi Covid-19, tidak hanya diwujudkan melalui Program Emtek Peduli Corona yang sudah dilaksanakan sejak 2020 lalu, tetapi juga dengan menggelar Konser Amal Indonesia Tangguh dan berhasil mengumpulkan dana sekitar Rp 18 miliar rupiah untuk membantu biaya operasional "Kapal Isolasi Terpusat Terapung" yang diprakarsai oleh Kementerian Perhubungan Republik Indonesia dan Kementerian BUMN Republik Indonesia. Kegiatan ini diharapkan dapat menjawab kesulitan lokasi isolasi bagi pasien terdampak Covid-19 di Indonesia.

Emtek Group's concerns towards the communities who were affected by Covid-19 pandemic were not only proved by the Emtek Peduli Corona Program, which was being implemented since 2020, but also by organizing the Charity Concert of Tough Indonesia and successfully raising funds of around 31 billion rupiah to finance the operational costs of "Floating Centralized Isolation Ship" which was initiated by the Ministry of Transportation of the Republic of Indonesia and the Ministry of SOEs of the Republic of Indonesia. This activity was expected to be able to answer the lack of isolation locations for Covid-19 patients in Indonesia.

Sungguh luar biasa semangat filantropi para Pemirsa, para Atlet dan para Artis di Konser Amal Indonesia Tangguh, benda-benda memorabilia milik para atlet kebanggaan Indonesia yang berjuang di Olimpiade Tokyo 2020 dilelang untuk mengumpulkan dana demi mempercepat penanganan Covid-19 di Indonesia. Bahkan para Artis dan entertainer yang ikut serta mensukseskan konser amal tersebut rela tampil tanpa dibayar.

Dana sebesar Rp18 Milyar tersebut (Rp 4,2 Milyar donasi Pemirsa dan Rp 13,9 Milyar donasi CSR Emttek) akan terus dipergunakan untuk memulihkan Indonesia dari hantaman pandemi Covid-19 melalui berbagai kegiatan sosial yang dibutuhkan masyarakat Indonesia.

The philanthropic spirit of the Viewers, Athletes and Performers at the Charity Concert of Tough Indonesia were exceptional. The memorabilia items of our heroic athletes, who battled at the 2020 Tokyo Olympics, were auctioned to raise funds which intended to accelerate the handling of Covid-19 in Indonesia. Even the performers who participated in the success of the charity concert were willing to perform for free.

These Rp 18 billion of funds (Rp 4.2 billion of Viewers' donations and Rp 13.9 billion of Emttek's CSR donations) will continue to be utilized to recover Indonesia from the impact of Covid-19 pandemic, through various social activities needed by the people of Indonesia.

Pengobatan Individu 2021

Individual Health Treatment 2021

Kegiatan Pengobatan Individu YPP tahun 2021 meliputi penyaluran kursi roda dan tandu untuk keperluan mobilisasi maupun evakuasi pasien. Adanya BPJS Kesehatan dari Pemerintah sangat membantu masyarakat dalam mengatasi biaya pengobatan penyakit berat yang cukup besar, sehingga pengajuan bantuan Pengobatan Individu ke YPP juga berkurang.

YPP's Individual Treatment Activities in 2021 covered the distribution of wheelchairs and stretchers, which were intended to facilitate the mobilization and evacuation of patients. The existence of the Government Health Care Program really helps the community in solving their big medical expenses for serious illnesses, so YPP had fewer applicants for Individual Treatment assistance.

Sidorejo hamlet, situated in the middle of the Perhutani forest, is inhabited by approximately 200 families, most of whom earn their living from paddies and plantations. The bridge built by YPP replaced the old bamboo and wooden bridge built decades ago, which was often washed away by the floods.
